

Our Mission

To become the 'one-stop shop' go to resource for anyone travelling with access needs in New Zealand.

What is Oyster Accessible Travel? www.oysternz.co.nz

Oyster Accessible Travel offers a comprehensive booking site and travel guide for both domestic and international travellers who travel with extra mobility needs. These travellers need to know beforehand information on access for accommodation, activities, walks, transport and sometimes equipment hire. Oyster has researched, reviewed and collated all the needed accessible information for the traveller into a 'one-stop shop' website. Thus saving the traveller time and giving them access to the choice of accessible facilities on offer throughout their travels in New Zealand.

Oyster has a goal to be the leading booking information site for accessible tourism in New Zealand. It intends to build confidence in the brand and create a very useful database for accommodation in all the main centres. It will provide a description of the access room that will be further backed up with photos. We intend to visit all listed accommodation to provide verification that the information stated by the business is correct.

This site encourages positive travel information, products and experiences. It welcomes your feedback to build this essential window into New Zealand's accessible world. Please join us to make access happen, success will come if we build it together.

FROM THE PRINCIPAL'S DESK

July 2016

Kia ora and welcome back for a busy Term 3.

Firstly, we have Parent/Whanau interviews on the 11th August. All of these will be held at Base School, please put this date in your calendar and send back the interview form. We look forward to seeing you here and discussing student success.

Thank you to all our whanau who sent back a response to the survey about our Logo. The response from whanau, students and staff was 82% for change. The Board collated all the responses and as you will see the Logo has changed and from this term we will be using it on all our correspondence.

Term three is the term when we concentrate on the arts, as you will remember we had a sculpture exhibition in 2015 and short films in 2014. This year we are combining the construction strand of the arts and technology and focusing on games. There will be a games day for families on Thursday 15th September. If you are able, we encourage you to come and see the creative endeavours of the students.

Please remember my door is open if you would like to talk with me.

Photos on the front page are from the Junior Disco held last term. Left to right are teachers Alli, Lyn, Diane, Heather and Intiaz. Thanks to everyone for attending.

Joshua Hennessy

18/08/1990—6/07/2016

Josh passed away in Wellington where he moved with his family in 2010. He began his

school life at Rosehill in 1996 with his Mum, Dani, being a Board of Trustees member. Upon his leaving school an annual trophy was donated for Positive Attitude to Therapy. We all have fond memories of the Hennessy family so our thoughts are with them during this sad time.
